

# Here it is **The NEW F.A.I. AEROBATIC**

## Schedule A First Round

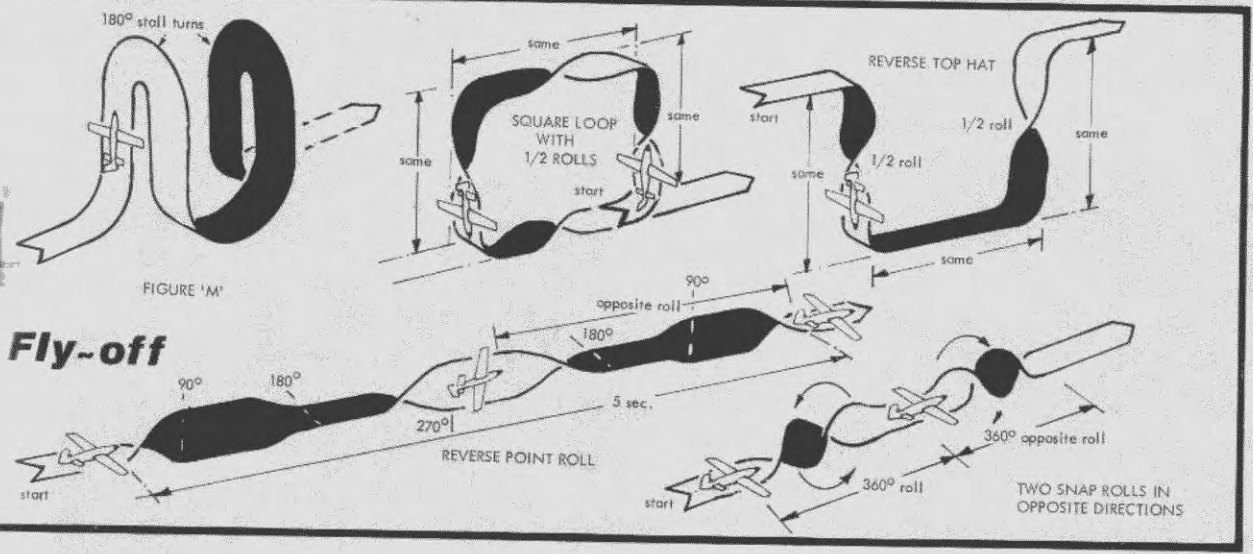

# SCHEDULE

This schedule will be operative for the 1979 Aerobatic World Championship, and the SMAE, we understand, will be using it as from the first SMAE aerobatic events of the 1978 season. We hope to bring you manoeuvre descriptions, plus an appraisal of the implications, from both the flying and model design point of view, very shortly.

## Second Round Schedule B
